No. 148/126

Deputy Commissioner's Office
Chitaldroog District
Dated Chitaldroog 25th August 1893

From The Deputy Commissioner
Chitaldroog District

To The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

I have the honour to state that large allotments are now made every year from District Funds on account of "Original works and repairs by the Revenue Department" and "Conservancy" and Sanitation of rural parts". Besides these, liberal grants are sanctioned from "Local Funds General" for the execution of such useful works as Wells, Gokattays, Village tanks &c".

2. To enable these grants to be spent to the very best advantage it often becomes necessary to order surveys being made, levels taken and

and Estimates prepared. Moreover intelligent and useful instructions have to be given during the progress of works, and accurate measurements have to be taken after their Completion. Considering that thousands of money are spent every year on works of this description, it does not seem unreasonable to ask for the services of a couple of Mistries possessing some Knowledge of Surveying and Levelling &c. The want of such agency is often much felt.

3. I therefore beg to be permitted to entertain as a temporary measure two Mistries on 20 Rs. each, their pay and travelling allowances being met from Savings under the two heads mentioned above.

I have the honour to be
Sir,
Your most obedient Servant.

Deputy Commissioner
Chittledroog Division.
